About Our Sessions
 All our sessions will be at our Madison location (other than the Photo Walks) beginning at 9:30 and running about 45 minutes. Anyone 16 or older may attend. (We offer no babysitting service.)

•March 18• \$5⁰⁰
Basic Digital Photography
 Understand how to use your camera and get better pictures without working any harder. Designed for digital camera beginners.

•March 25• \$10⁰⁰
Sports Photography
 Primarily for outdoors sports, such as baseball, soccer, lacrosse, swimming and track. Lens options and shooting techniques will be discussed.

•April 1• \$10⁰⁰
Interchangeable Lens Camera Basics - CANON
 Things have changed a lot since your last new camera. This session is about understanding what your new Canon EOS does and how to make it do what YOU want. Please bring your camera to the session.

•April 8• \$10⁰⁰
Interchangeable Lens Camera Basics - NIKON
 Things have changed since your last new camera, especially if this is your first SLR. This session is all about understanding what your Nikon does and how to make it do what YOU want. Please bring your camera to the session.

•April 15• \$10⁰⁰
Interchangeable Lens Camera Basics - OLYMPUS
 Things have changed since your last new camera, especially if this is your first system camera. This session is about understanding what your Olympus OM-D was designed to do and how to make it do what YOU want. Please bring your camera to the session.

•April 29• \$5⁰⁰
How to Photograph Your Household Items
 After a catastrophe could you prove to your insurer what you own and its condition? Learn how to document what you have without distortions, reflections, blurs, etc.

•May 6•
SPECIAL EVENT (no workshop)
 Come sell us your no longer used or no longer wanted photo gear. Nothing to trade - You sell and we buy!

•May 13• \$5⁰⁰
Photo Walks
 Let's go take pictures. We'll go for a walk nearby each store and learn to take better photos. Bring your own camera.

•May 20• \$10⁰⁰
Caring For and Copying Older Photographs
 We all have old photos at home, many over 100 years old. They are fragile, just like the memories they evoke. Learn how to preserve them in their present state, or digitize them without quality loss.

•June 3•
Field Trip Prep
 Sign up for loaner cameras, lenses and other gear for tomorrow. A discussion of what to expect on the shoot and what you might want to bring from home.

•June 4• t/b/a
Photo Field Trip
 Held rain (within reason) or shine! We will meet at the venue in early afternoon and photograph with instruction for most of the afternoon

•June 10•
Field Trip Wrap-up
 Discussion of what was learned on the trip and viewing of photos taken last week. Preparing entries for the photo contest.

•June 17• \$10⁰⁰
Basic Studio Lighting for Portraiture
 Bring your camera for a hands on lighting session with a live model.

•June 24• \$5⁰⁰
Photo Problem Solving Session
 Come with your specific photo problem or annoyance and we will (if possible) solve it for you. It can be about equipment, or software, or technical in nature. Bring your problem in and pick our brains.

Free If You Want It

There is no charge to attend. There is, however, a benefit if you register & pay a small amount for a session in advance. This helps us prepare each program so that you can get the most out of it. Although everyone attending will receive notes on the sessions, those registered and paid in advance will receive a product or service related to the topic of the day and worth more than the value of the program's cost (such as a monopod with the Sports Photography session).

Most participants felt that bringing their cameras to the sessions was beneficial, but not necessary.

Photo Field Trip

The cost of the Photo Field Trip will be announced shortly along with its venue. The use of an interchangeable lens camera with lenses (or simpler cameras) will be included in the price. Full details will be announced in the near future.

Please call or e-mail us for additional information.
